Instructions: Programs are covered on a Blanket Basis, whether or not participants or teams are registered USL Members.

1. Complete this form and send it with your premium payment to RPS Bollinger. Full payment must be received by RPS Bollinger at least 5 business days prior to your event. Alumni/Exhibition Games will be reviewed on a case by case basis for eligibility.
2. Use the Premium Calculation tables above to calculate your program's specific premium. Information should be used to complete the application form. Start by either estimating the total number of participants for Day/Overnight Camps and Clinics, or teams for Alumni/Exhibition Games. Use this number under the total "# of Participants" column on the application.
3. If applicable, enter on the application the # of weeks for your Day Camp or Overnight Camp in the "# of Weeks" column. Seven sessions of play or fewer, counts as one whole week. Sessions of play may be consecutive or held once a week for multiple weeks.
4. Using the appropriate Premium Calculation Table above, find the rate that corresponds to the age group(s) and # of participants/teams in your program. Enter that rate on the application under the "Select Rate" column.
5. For Day Camps and Overnight Camps, multiply the # of weeks by the Selected Rate per Week to determine the subtotal premium for each age group. Write this amount in the "subtotal" column of the application. For Alumni/Exhibition Games, multiply the number of teams by the rate per team to determine the subtotal premium for each age group. Write this number in the "subtotal" column.
6. If the total of all premiums is less than the program's minimum premium, then the minimum premium will apply (the USL Administration fee is not included in the minimum premium).
7. Add in the Administrative fee for US Lacrosse, shown in the right hand column for each rate table, to arrive at the Total Payment Due. (The Administration fee goes to US Lacrosse to sponsor research by the USL Sport Science & Safety Committee). Calculate this fee based on the number of participants.
8. Send payment with this form to: US Lacrosse Insurance Programs c/o RPS Bollinger, PO Box 390 Short Hills, NJ 07078. Please make checks payable to "RPS Bollinger". Allow 5 business days for processing.
9. Please submit a roster of all participants (including names & addresses) to RPS Bollinger within 5 business days after your event for claims verification purposes. Claims can only be paid if there is a roster on file. Rosters are mandatory regardless of any impending claims.
10. Please include your email address on the application as the certificates are transmitted to you in that manner.
11. Coaches are still required to be members of US Lacrosse for coverage.
